Consultation, Investigation & Expert Testimony

David Keech

Impaired Driving & Traffic Specialist

As a retired police officer, and over 20 years of experience as an Investigator in the UK and US, I have the skills and knowledge that would enhance the services you provide to your clients and improve the likelihood of a favorable result in court. I have investigated almost every type of criminal offense as a police officer.

I do not want impaired drivers running around on our roads putting people at risk, but their arrest should be the result of a good investigation and not based on a hunch or guess. I still see my role as teaching law enforcement officers how to investigate traffic cases correctly. By highlighting mistakes, I am giving them the opportunity to improve their investigation skills. That's how I got better at investigating cases!

I am highly trained in the traffic crash and impaired driving investigation realm, with a vast level of experience investigating minor property through fatal injury crashes and driving under the influence cases. My services are a valuable asset to assist both Criminal and Civil attorneys with their cases. I am registered with the Colorado Office of Alternative Defense Council as a contract investigator and expert witness.

My experience in the following areas allows me to provide services to you:

- Conducted hundreds of Impaired Driving investigations involving Alcohol and/or Drugs.
- Certified Drug Recognition Expert Instructor, SFST Instructor and Intoxilyzer Instructor.
- Investigated hundreds of Crash Scenes from Minor Property up to Fatal Injury crashes.
- Conducted thousands of traffic stops for traffic enforcement and other criminal cases.
- Certified Crash Reconstruction (Level 1) and Crash Scene Investigator.
- Testified in Municipal, County and District Courts on hundreds of occasions.
- Advisory witness multiple times providing support for the trial attorney.
- Qualified as an Expert Witness multiple times in Traffic and DUI related cases.
- Developed and presented internal and external training classes and presentations.
- Taught DUI / SFST class at local police academy and other organizations.

Please contact me to discuss in greater detail how my skills and experience can assist you and your clients.

Consultation, Investigation & Expert Testimony

Traffic Services Available

Consultation Services

A review of the case discovery provided looking for any errors, or omissions, any evidence discrepancies, and ensure compliance with the appropriate regulations. An **à la carte** style options have been provided to assist in paying for only the services needed. A bullet point report of review notes is included, a summary with expert opinions is also available.

Paper Only: a review which provides quick feedback on the pros and cons of the case.

Vehicle Contact: a review of the initial traffic stop, crash or other reason for the contact with the driver.

Driver Contact: a review of the initial personal observations and interviewing of the driver.

Sobriety Tests: a review of the roadside sobriety testing conducted during the impaired driving investigation.

Chemical Test: a review of the blood or breath sample collection and toxicology results provided.

Crash Investigation: a review of the investigation, any follow up, and the proximate cause determination.

Toxicology Analysis: a review of the toxicology results, hospital, clinic, coroner or other medical records.

DRE Evaluation: a review of the drug influence evaluation and the opinion on any influencing drug categories.

Investigation Services

Scene Surveys where practical, of the incident location, witness locations and sobriety testing location. Looking for additional evidence and factors relevant to the case.

Evidence Inspections of involved vehicles and evidence collected by the initial investigators, to confirm information contained in reports and the relevance of the evidence to the case, along with looking for additional evidence.

Subject Interviews with involved parties to confirm statements and observations and searching for additional witnesses. Witness research and service of court documents can also be conducted in connection to the case.

Baseline Performance a DRE/SFST evaluation under controlled conditions to compare with the performance reported in the original investigation. Also a review of how medical conditions may have an adverse effect on sobriety tests.

Testimony Services

Expert testimony based on either my analysis of the case or blind testimony on areas of expertise.

Advisory witness support to the attorney in the court, observing testimony and providing feedback.

Court Transcripts reviewing court transcripts comparing testimony to written reports or training.

Educational Services

Training classes and presentations are available on impaired driving and vehicle collision topics, please ask for details.

Services must be prepaid with either a retainer for hourly investigation or flat fee services. Testimony appearances are not secured until prepayment has been received, which should be at least fourteen days prior to the testimony date. Prepaid funds for continued court dates are rolled forward to available dates. Cancellations with less than twenty-four hours' notice are charged two hours for preparation time. Prepaid funds are non-refundable except for unused retainer and travel funds.
