Consultation, Investigation & Testimony

Impaired Driving & Vehicle Collision

As a retired police officer with over 20 years of investigative experience in the UK and the US, I possess the skills and knowledge to enhance the services you provide to your clients and increase the likelihood of a favorable court outcome. Throughout my career, I have investigated nearly every type of criminal offense.

I do not want impaired drivers on our roads to endanger others, but their arrest should result from a thorough investigation rather than a hunch or guess. I still view my role as teaching law enforcement officers how to properly investigate traffic cases. By pointing out mistakes, I allow them to enhance their investigative skills. That's how I improved my own case investigations!

I am highly trained in traffic crashes and impaired driving investigations, with extensive experience in investigating cases ranging from minor property damage to fatal injuries and driving under the influence incidents. My services provide valuable support to Criminal and Civil attorneys in their cases. I am registered with the Colorado Office of Alternative Defense Council and the Colorado Office of the District Court as a DUI expert witness.

My experience in the following areas allows me to provide services to you:

- Conducted hundreds of Impaired Driving investigations involving Alcohol and/or Drugs.
- Former Certified Drug Recognition Expert Instructor, SFST Instructor, and Intoxilyzer Instructor.
- Investigated hundreds of Crash Scenes from Minor Property up to Fatal Injury crashes.
- Conducted thousands of traffic stops for traffic enforcement and other criminal cases.
- Certified Level 1 Crash Reconstruction and experienced Crash Scene Investigator.
- Testified in Municipal, County, and District Courts on hundreds of occasions.
- Advisory witness multiple times, providing support for the trial attorney.
- Qualified as an Expert Witness multiple times in Traffic and DUI-related cases.
- Developed and presented internal and external training classes and presentations.
- Taught DUI / SFST classes at the local police academy and other organizations.

My unique skills, knowledge, and experience are available to help you achieve the results you're looking for.

The earlier I'm retained on a case, the quicker I can start helping and potentially save you both time and money
